**The SPY's are a registered Federal 501 (c)(3) charitable organization. All contributions are tax deductible. We are a rather unique organization in that EVERY CENT of your contribution goes toward funding our programs and / or projects. We pay no salaries---we have no overhead---any nominal expenses we incur as an organization are covered through a private donation. We know of no other charitable organization that can make that claim!**

**NOTE:** As with our all our fund-raisers, for every \$500 contributed, (regardless of in what way), the contributor will get a free team entry to the Centennial Acres / SPY golf tournament. If they contribute \$1,000, they would get two free team entries---and so on. No matter what the contribution listed above, they will get professional signage on the course.

**IN ADDITION:** Contributors of \$500 or more will receive:

- A special personalized "Corporate Sponsor" or "Platinum Sponsor" recognition plaque
- Or, you may enter a team in the SPY's Charities Softball Tournament instead of doing a golf team entry.
- Or, you may get free out-of-district admission to the Sunfield Summer Athletic Association programs for your children or grandchildren.
- Recognition acknowledgment in the local press, with photo
- Public underwriting recognition - with photos - in conjunction with various youth events throughout the year
- Entry in the "Corporate Challenge Cup" competition.
- Lifetime designation as a "major endowments" contributor to the Youth Activities Trust Fund (contributor list published biannually)
- A free advertisement and personal entries on the SPY's Celebration Calendar, which is placed in over 500 households.
